

PizzIMMERSION

Professional Development Activities

Mini lesson plan

Title

Raise the alarm

Year level suggested

Years F-6

Useful for

Brain breaks
Listening
Ensemble skills
Leadership
Pitch
Concentration

Learning intention

To engage students by focusing and following non-verbal cues

Steps

1. The leader points their finger in the air and the class sings 'ooooo"
2. The leader moves their finger up in the air and the class gradually sings higher and higher in pitch, as the leader moves their finger down, and the class sings lower and lower in pitch.
3. The leader closes their hand and the class is silent
