JAMS FOR JUNIORS ONLINE

Make your own panpipes

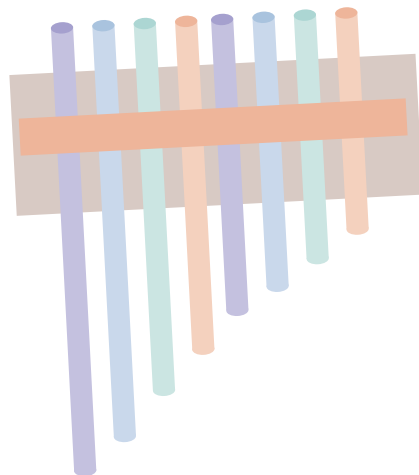

You need:

- 6 to 8 plastic drinking straws
- A piece of cardboard (approx. 15x7cm)
- Sticky tape
- Scissors (use with care and under supervision)
- Paint or stickers for decorating

Instructions:

1. Cut the straws into different lengths.
2. Using the tape, attach the straws to the cardboard from longest to shortest. Make sure the open ends match up across the top of the cardboard.
3. Decorate your panpipes with paint, stickers, or even streamers.
4. Blow across the open ends of the straws to make a sound!
